SignTasTic!

SignTasTic! is bridging the gap between the Deaf and Hearing worlds!

The SignTasTic! Road Show brings the experience of the original ASL game show to audiences everywhere.

We do this by:

- ★ Sharing Deaf culture and exploring diverse communities across America.
- ★ Educating audiences with basic ASL acquisition.
- ★ Immersing contestants in all the thrills of a televised game show - the lights, music, and even prizes!

The host of SignTasTic!, Daniel D. Cook, is America's first Deaf television game show host. By using his platform and personal experiences, Dan inspires and informs the next generation of sign language users all around the world!

WITH YOUR HOST

DAN COOK!

Dan is a certified member of the American Sign Language Teachers Association (ASLTA), with nearly 30 years of teaching experience.

For more than a decade, Dan has produced and hosted his own nationwide traveling game show, titled “Test Your Knowledge.”

With SignTasTic! Trivia LIVE, he continues to engage and educate Deaf and hearing audiences in an exciting format. With a national tour, Dan hopes to reach people at conventions, Interpreter Training Programs, high schools, universities, Deaf state schools, and events across America.

Bridging the gap between the Deaf and hearing communities has always been Dan’s goal. Now that he has successfully worked with both communities to create SignTasTic! and secured streaming on VSYN+ (a new platform for the world’s signed languages), Dan is ready to connect with audiences everywhere.

“[Dan’s] knowledge of ASL, friendliness, and enthusiasm for teaching others is contagious.”

- Kristen Bowen, CI CT
Interpreter Coordinator at
Cincinnati State University

Our Mission

An event like SignTasTic! Trivia LIVE provides many benefits for schools and universities with American Sign Language and Interpreter Training Programs.

SignTasTic! promotes an open opportunity for an entire student body to learn about Deaf culture, while providing engaging entertainment and quality production value. Hearing and Deaf students find ways to bridge barriers between themselves during gameplay.

Many educational institutions invested in exploring themes of diversity, belonging, or communication will also benefit from this experience.

SIMILAR SHOWS!

SignTasTic! Trivia LIVE takes inspiration from other television game shows that have been adapted for an in-person experience like *The Price is Right LIVE* and *Wheel Of Fortune LIVE*! We aim to balance education and fun while giving contestants a chance to know what it's like to be on a real game show.
